**TECHNICAL TRAINING**

Once the applicant has successfully completed the written exam with the appropriate pass mark at the end of the course the following will be provided to each participant:

Smardt and Danfoss Turbocor software, the relevant manuals in electronic format, a USB-serial Adaptor, a Null Modem Cable and a Certificate of attendance valid for 18 months. Training course fee **\$3,250.00**.

*\*\*\* Prices are all exclusive of GST and are per person per company. A cancellation fee of 30% is payable when cancellation occurs within 14 days of scheduled class date, 60% is payable if cancellation occurs within 7 days and 100% is payable if cancellation occurs with 24 hours, or in the event of non-attendance. Service Contractors are required to pay at least 1 week prior to training class to secure booking. \*\*\**

Application forms available below. Please complete and submit the form and send to the attention of the Service Manager via:
